 Profession Graphic Designer / Photographer

I'm 30 year old Graphic Designer & Photographer from Kerala (India). I love everything that has to do with Graphic Design & photography, packaging, industrial design, commercial design and i feel a true devotion for photography.

I have 9 years total experience of working as a Graphic Designer. Now I decided to have a career in a media firm working with other creatives. I work hard in a team, but I like to think & flourish while doing something i love. why don't we work together? Go further down to see why I'm the man you need to hire!
